

Ready to apply for the CBI Sustainable Business Award?

Are you creating social and environmental impact while growing your business?

Apply for the **CBI Sustainable Business Award 2025** and gain international recognition.

Why apply?

- Are you proud of your social or environmental impact? Show it!
- Be recognised as a sustainability leader.
- Gain visibility and grow your network through CBI.

Who can apply?

- Companies that are currently participating in a CBI project.
- Companies that participated in a CBI project completed in 2024 or 2025.

What do you need to submit? [Click here](#) for a detailed explanation of the requirements

1. Video Pitch (1 Minute)

Explain why you should win by sharing:

- Your social and/or environmental sustainability efforts
- Your leadership or innovation in this area
- The impact on your business and community

You can record the video with a phone, camera, or laptop – preferably in English (French allowed with transcript).

2. Written Submission (max. 2 pages, in English)

Provide a short document covering the following:

- A brief introduction of your company
- Your social and/or environmental sustainability initiatives, actions taken, results and impact
- Evidence to support your impact
