

ANNEX – Grains, Pulses and Oilseeds import trends to Europe

This Annex provides the full data on European import of grains, pulses and oilseeds from the world, from Developing Countries, as well as the imports from countries that CBI is working with. European import data includes the countries of the European Union (EU), the United Kingdom, and the European Free Trade Association (EFTA).

Suppliers can find the value and the growth of their specific products in this table, including the current market share of Developing Countries.

In 1,000 euros
